***NESARA is the most ground breaking reformation, not only for the USA but for all of our planet - in its entire history.***

Late one evening on March 9, 2000, a written quorum call was hand-delivered by Delta Force and Navy SEALs to 15 members of the US Senate and the US House who were sponsors and co-sponsors of NESARA. They were immediately escorted by the Delta Force and Navy SEALs to their respective voting chambers where they passed the National Economic Security and Reformation Act.

All information about this law has been under a gag order all this time until it is announced publicly. Now is the time to get NESARA Announced! Please forward far and wide.

**ARE YOU READY FOR THESE SWEEPING CHANGES?**
